Persons Clearinghouse

Unidentified Person

Found May 30, 2004
Moniteau County

Sex: Male

Race: White, possibly Hispanic

Distinguishing Characteristics:

Four prominent tattoos pictured right:

- (1) The word "Desi" tattooed on the inner left wrist;
- (2) Traditional tribal art tattooed on upper left arm;
- (3) An elongated, skeletal-looking face with "nervous eyes," a wide nose and mouth, long teeth and wrinkled forehead tattooed on the right arm near the shoulder;
- (4) A devil with horns, dark eyes, and a wide mouth showing teeth and tongue, tattooed on the inner left forearm.

Tattoo 1

Tattoo 2

Tattoo 3

Tattoo 4

Details: On May 30, 2004, two fishermen located the torso of a human body in the Missouri River at the Mokane River Access, mile marker 119, in Callaway County. The body appeared to be a white male. The head and both legs were missing. The body had four prominent tattoos pictured above. One of the missing legs was located.
